

ISBA NEW BOARD MEMBER PACKET

The first year as a school board member comes with many opportunities. The ISBA New Board Member Packet provides newly-elected board members with the tools they need to make educated decisions regarding students and staff!

COST: \$85 each

EACH PACKET INCLUDES:

ISBA MEMBER SERVICES BROCHURE:

Information regarding the services available to members of ISBA.

ESSENTIALS OF SCHOOL BOARD SERVICE:

This ISBA document is an overview of what to expect your first year. This booklet discusses roles & responsibilities and answers many questions for the newly-elected board member.

TEAM LEADERSHIP FOR STUDENT

IMPROVEMENT: A joint publication with NSBA and the American Association of School Administrators it explains the issues related to raising student achievement and the critical and varied roles played by boards and administrators. A publication that reinforces the leadership teamwork required for student success.

ISBA EDUCATION DIRECTORY: A directory updated yearly which includes a list of all Idaho school districts and trustees and their contact information as well as a listing of Idaho educational entities.

ISBA CONVENTION BOOK: Provided to allow a new board member the ability to see the amount of information available to them by attending the ISBA annual convention. This book is included in the new board member packet until supplies are exhausted.

PARLIAMENTARY PROCEDURE INFORMATION

An organized, basic "cheat sheet" that explains Roberts Rules of Order and the appropriate use of motions and votes.

ISBA / MORETON & COMPANY CALENDAR:

Each year public school children submit their artwork to fit a theme. Out of the thousands of submissions, 13 are selected for the calendar. This calendar is included until supplies are exhausted.

THE KEY WORKS OF SCHOOL BOARDS

GUIDEBOOK: Improving student achievement through community engagement is the Key Work of School Boards. This NSBA guidebook will help boards focus their efforts on improving student achievement using a framework of eight "key" action areas.

BECOMING A BETTER BOARD MEMBER 3RD

EDITION: A National School Boards Association publication designed to give you an easy-to-understand guide to the workings of a school board. Considered THE source of information, this resource provides the basics that you will need to be a board member.
