### More about ISBA's Summer Leadership Institute (SLI)...

The annual Summer Leadership Institute (SLI), formerly known as the New Board Member Workshop, is Idaho School Boards Association's new way of bringing training to you. The purpose of the Institute is (1) to provide new school board members with training in duties, roles, and responsibilities, (2) to offer newly elected board chairman the training they need to lead effectively, and (3) to provide experienced board members with current practices and information about the key concerns facing Idaho schools. A perfect opportunity for your entire board to get the training it needs.
