**Note:** The ISBA Executive Board adopted the following statement as a guiding principle for ISBA's advocacy work in 2017:

**"The ISBA Executive Board supports the principle of local governance for public schools, the full funding of the career ladder, and the appropriation of operational funds from 2009 up to 2017 adjusted for inflation. Until this has been achieved, the Executive Board will not support any resolution or legislation that would result in any new line items in the State education budget."**
