### Status of Convention:

On Tuesday, October 12, 2021, the ISBA Executive Board moved to hold the 2021 ISBA Annual Convention by two methods, in-person or virtual. **For those who would like to attend in person, masks will be required to attend; however, attendees who do not wish to wear a mask can submit a negative COVID test to be exempted from the requirement. Proof of negative COVID test may be done within 72 hours prior to arriving at the venue or ISBA will have rapid COVID tests on site of the event at no cost to the attendee.** We will be providing more information as the ISBA staff work through logistics. For current registrants who do not wish to attend with the options provided, the ISBA will allow for a FULL refund if you cancel by 3:00 p.m. on Friday, October 22nd.

### Networking With Whova:

Whova offers a variety of ways to network. The Community Board is a place to go to join conversation threads and be part of virtual or in person meet ups! The attendee tab allows you to instant message any attendee or speaker. Each session gives the opportunity to interact through polls, chats, and Q & A tabs. Competitions also help bring everyone together by offering the chance to vote for your favorite photo, post photos, and interact with Exhibitors for the passport!
