1. Work days in grades preK-12 will be protected from required building meetings at the quarter and semester grading periods.
- C. Elementary Specialist Provisions. The district will provide music, physical education, and art specialists for the elementary schools. Each elementary classroom teacher will be given a preparation time while the specialist is instructing his/her class. Elementary specialists will receive the same daily preparation time as elementary classroom teachers in continuous blocks of time. They will also be provided at least 5 minutes between each class to prepare for the next class. Passing time comes into effect only when classes are back to back.
- D. Preparation Time.
1. Each secondary teacher shall have a daily preparation time equivalent to one instructional period.
 2. Each elementary teacher and elementary specialist shall receive 225 minutes of preparation time per 5 day work week. The Principal will make the following effort to provide a daily preparation period for every teacher.
 - a. The Principal will develop a schedule with the goal of daily prep time for every teacher as described above.
 - b. If the Principal cannot create a schedule which includes daily prep time for every teacher, the Principal will convene either the Building Leadership Team or a scheduling committee of classroom teachers to attempt to create a schedule with daily prep time for every teacher. In either case, all current staff providing prep time will be given the opportunity to be included in the scheduling process.
 - c. If after these attempts are made and schedules do not allow for daily preparation time for every teacher, the following steps will be followed:
 1. The Principal will ask for volunteers (e.g. in a given grade level) to have two preparation periods on one day (and non on another day).

2. The Principal will also consult with the teacher about whether the two preparation periods on one day will be a 30-minute, 45-minute, or a combination thereof, if it is possible to accommodate such a request.
 3. If there are no volunteers, and all above steps have been followed, the District will work with the Association to formulate a satisfactory resolution.

The District retains the right to hold meetings at any time within the 7.5 hour teacher day at the work site. CEA may use two (2) of these days per year for voluntary CEA meetings at the elementary, middle and high school grade levels. The CEA will coordinate the dates of these meetings with Building Administrators to avoid meeting conflicts.
 3. After attempts have failed to coordinate schedules for a parent/student driven meeting, the District retains the right to hold meetings beyond the three limit outside of the 7.5 hours teacher day at the work site.
 4. In the event of a crisis, an emergency meeting may be called that extends beyond the 7.5 hour teacher day at the work site.

- G. In the case of individual school closure or District closure, any leave requested by an employee as defined by the contract will be considered zero sum. The District provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding compliance with this nondiscrimination policy may be directed to the Director of Special Services or Director of Human Resources at the District Administration Center, 1400 N. Northwood Center Court, Coeur d'Alene, Idaho 83814-2471 (208) 664-8241. The District Human Resource department shall monitor such procedures to ensure Title IX compliance.

All qualified employees shall be given adequate opportunity to make application and no position shall be filled until all properly submitted applications have been considered.

SECTION 2. POSTING OF VACANCIES

Once a vacancy is declared, it shall be posted in all school buildings, district website, and posted at the District Administration Office. The vacancy notice will include a statement of minimum requirements. No vacancy shall be filled until posted for a minimum of five (5) work days.

The employee will be expected to notify current supervisor of their application.

In filling vacancies, preference shall be given to qualified in-district certificated employees who are in good standing. When all other factors are substantially equal, length of contracted time in this School District shall be the deciding factor in filling the vacancy

- Preference shall mean that a qualified in-district certificated employee's application shall be given to the screening committee without any prescreening mechanism.
- Prescreening mechanism will be defined as prescreening interviews or any other prescreening score sheet that limits the applications given to the screening committee.

Upon written request by said employee, the employee shall be released by the Board from his/her contract.

- a. The District will assume responsibility to move classroom materials for the staff member if requested.
- b. If the decision is made during the first 30 days after the contract begins, the District will stipend the staff member \$100 for moving classroom supplies and classroom setup. If supplies are needed from the classroom budget and the purchase procedure is not timely, exceptions may be granted.

D. **PROFESSIONAL ASSISTANCE/PROBATIONARY EMPLOYEES:** Except in the case of extenuating circumstances, an employee placed on professional assistance or probation shall not be transferred during the professional assistance/probationary period unless it is mutually agreed that a transfer shall be in the employee's best interest.

1 unit	adds .1% to the base
2 units	adds .2% to the base
3 units	adds .3% to the base
4 units	adds .4% to the base
5 units	adds .5% to the base
6 units	adds .6% to the base
7 units	adds .7% to the base

etc. for each additional unit, add another .1% to the base.

These changes will be effective with the March 2019 payroll with retro pay back to the September 2018 payroll.
