II. PERSONAL LEAVE

Certified personnel desiring personal leave are to request this leave in writing to the building principal. Teachers may be granted personal leave if a substitute is available. Personal leave for all other certified personnel will be at the discretion of the building's principal.

Authorization for the leave will be given to certified personnel by the building principal. Up to five (5) days of personal leave may be taken during the year. The district will deduct \$60 per day, or the rate of a substitute teacher, whichever is greater, from the certified personnel's pay for the 4th and 5th day of leave, if used. Personal leave is not cumulative and is defined as leave to attend to matters of a personal nature.

These days of personal leave may not be used the first two weeks of school or the last two weeks of school without previous arrangement with the building principal.

At the end of the school year, certificated employees have the option to be reimbursed for unused personal days of the three (3) paid for by the school district. Each reimbursable personal day will be valued at the rate of a substitute teacher. Certified employees seeking the reimbursement for unused personal days must do so, in writing, by May 15th of the school year. The reimbursement for unused personal days will be included in the certified staff's June paycheck.

III. PROFESSIONAL LEAVE/DEVELOPMENT

Each certified employee has two days per year for professional leave of absence for workshops, conferences, seminars and/or classes. These days will be granted if the following criteria are met:

- 1. A suitable substitute can be found.
- 2. A written request is submitted five (5) working days in advance of the requested date(s).
- 3. Lesson plans and substitute folders are completed and submitted to the principal one (1) working day in advance of the requested date(s).

Additional professional leave of absence without loss of pay may be granted if the following criteria are met:

- 1. A suitable substitute can be found.
- 2. A written request and explanation is submitted five (5) working days in advance of the requested date(s).
- 3. Lesson plans and substitute folders are complete and submitted to the principal one (1) working day in advance of the requested date(s).
- 4. Superintendent approval.

The Superintendent shall grant certified employees professional leave of absence days to attend meetings of the state teacher's association. The total number of these days granted for all certified employees shall not exceed ten (10) days.

Each building will have a professional development committee to meet their building's professional development needs. The formation and direction of each building's committee will be in accordance with the Fruitland School District's Professional Development policy.

IV. SICK LEAVE

After a teacher has reported for duty, he/she will be allowed sick leave in accordance with current Idaho School Law, one (1) day for each month of service.

Accumulated sick leave from another Idaho School District may be transferred to this district, as provided by Idaho Code.

Certificated employees serving less than full time under contract, shall be entitled to that proportional amount of sick leave.

It is the intent of the Board that employees will use sick leave only for illnesses or injury to the employee; medical provider appointments; illness of the employee's immediate family. (spouse, children, siblings, parents, grandparents, grandchildren and the same members of the spouse's family)

The district shall have the right, at the superintendent's discretion, to require that the employee provide proof of illness or injury adequate to protect the district against malingering and false claims.

V. SICK LEAVE BANK

Each professional employee of this district may participate in the sick leave bank. To participate, each employee shall contribute a prescribed number of his/her earned sick leave days as determined by the sick leave bank committee. Deposits to the sick leave bank may be made from September 1 to October 15th. Deposits may be called for during the year if the bank falls below 20 days. Sick leave days thus contributed shall be deducted from the individual's sick leave entitlement.

The contributed sick leave days shall form a fund of sick leave days that will be available to all eligible participating professional employees upon recommendations of the sick leave bank committee for the purpose of alleviating the hardship caused by absence from work necessitated by extended or recurring physical disability resulting from illness or injury extending beyond the professional employee's accumulated sick leave.

Application for use of the sick leave days from the bank shall be submitted to the sick leave bank committee for its recommendation. The committee shall meet within 72 hours of the request and determine the eligibility of the employee. If the committee deems necessary, it shall require proof of illness at the time of application and, from time to time after a grant has been made.

In order for a professional employee to be eligible to apply for sick leave benefits from the Sick Leave Bank, the employee must first: 1) be a contributor to the bank, 2) have used all of their paid personal days, and 3) have used all of his/her sick leave or if the employee has more than 50 days of accumulated leave and has used 20 of those; the committee may grant four (4) days for every (2) of their own that is used.

For the initial year of operation, each participating employee shall contribute one (1) day of his/her accumulated sick leave days to the sick leave bank. Each subsequent year of the Bank's operation, the sick leave bank committee shall determine the number of sick leave days each participant must contribute in order to keep the bank solvent. The number of accumulated sick leave days an employee may contribute to the bank shall be limited to 100% of that employee's sick leave days.

The maximum number of days that can be granted in any one fiscal year will be the remaining number of days an employee is scheduled to work under his/her current contract In no case will the granting of leave cause an employee to receive more than his/her annual salary for that year.

Bank grants to individual employees will not be carried over from one fiscal year to another; all such grants will end at the termination of the school year. If a professional employee does not use all of the days granted by the bank, the unused sick leave days will be returned to the bank.

The Sick Leave Bank Committee shall consist of two (2) members appointed by the representative teacher organization, and two (2) members appointed by the Board, excluding the superintendent. In case of a tie vote on a request, the superintendent will cast the decided vote. The committee members shall develop and distribute rules and procedures for the orderly administration of the bank not inconsistent with the terms of this agreement. The committee shall be responsible for reporting to the district's accounting office the names of

contributors and the number of days contributed. It shall report all days granted by the bank and all other information necessary for the employee's records.
