LEAVES

2.1 Sick Leave

At the beginning of each new employment year, each certificated employee of the school district shall be entitled to ten (10) days of sick leave with pay.

The Board of Trustees may require proof of illness adequate to protect the district against malingering and false claims of illness.

After twenty (20) consecutive days of absenteeism the board will review each individual case to determine if any additional days are needed.

The Board of Trustees may establish a policy governing leave for certificated employees in the case of illness or death of members of the families of such employees and for such other purposes as the Board may determine. The Board of Trustees shall not provide compensation for unused sick leave except as outlined in Idaho Code 3312-28.

Unused sick leave shall be accumulated from year to year as long as an employee remains continuously in the service of the same school district. There will be no limit to the number of sick leave days that may be accumulated.

The Board of Trustees may fix and establish for the district a period of annual leave and accumulation of sick leave in excess of the amounts provided herein, not discriminatory among employees and as in its discretion may appear necessary, and may require proof of illness.

The State Board of Education may provide uniform regulation for proof of illness, including forms for submission of proof, and, when so provided, its regulations shall supersede the regulations of the district in this regard.

If a new employee has been employed by another district or state agency participating in PERSI during the year immediately preceding employment with American Falls School District, that individual's accumulated sick leave will be secured for, and credited to, that new employee.

If at the end of the school year a teacher has not used any of the designated sick leave for that year (10 days) the school district will reward that teacher with one (1) personal leave day to be carried over to the next school year.

2.2 Absence Allowed for Illness, Defined

1. Absence due to personal illness.
2. Absence due to the illness of a family member.
3. Absence due to the death of a family member.
4. Absence due to the death of a close friend, one day plus necessary travel time.

Employee request for special consideration due to an illness or funeral or an unusual situation may be considered by the Superintendent and judged upon its individual merit.

2.3 Sick Leave Bank

1. Purpose

The purpose of the Sick Leave Bank is to alleviate the hardships caused by absence from work necessitated by extended recurring illness requiring leave beyond the employee's accumulated and personal leave days. Each full time certified and full time (35 hours or more per week) classified employee of school district #381 may participate in the Sick Leave Bank (SLB).

2. Participation

In order to participate in the SLB, each full time certified and full time (35 hours or more per week) classified employee shall contribute a prescribed number of sick leave days to the SLB as determined by the superintendent's official records. Sick leave days thus contributed shall be deducted from the individual's sick leave entitlement. The contributed days will be available to all eligible participating employees upon recommendation of the Sick Leave Bank Committee.

Any part-time employee who was a member of the employee sick leave bank as of July 1, 2018 will be grandfathered in and are allowed to continue to be a member of the sick leave bank.

3. Application

Application for days from the SLB must be made in writing and presented to the SLB Committee. The Committee shall review the request and determine the employee's eligibility. The applicant must provide proof of illness from a qualified physician at the time of application and upon Committee request after a grant has been made.

3.1 All applicants need to check with the Payroll Clerk to verify available sick and personal leave days.

3.2 Requests for sick leave days from the SLB must be submitted by the last working day of the school year.

3.3 As the Sick Leave Bank committee members are working as the guardians of the employee's bank, an approved application does not guarantee additional days after the first approved application. If the same illness is prolonged, the committee may ask for additional documentation, from a physician, if needed to extend days past an applicant's first application.

4. Guidelines

The SLB Committee shall have the authority to establish such guidelines, as it deems necessary to implement this program. Guidelines shall have the approval of the American Falls Education Association and the Board of Trustees. After complete review of any application, the Committee shall have the authority to make final decisions with the guidelines as to the disposition of the case.

5. Eligibility

An employee, to be eligible for the Sick Leave Benefits Must:

5.1 Be a full time certified or full time (35 hours or more per week) classified employee, or a part-time member grandfathered in as of July 1, 2018 and contributor to the bank.

5.2 Have used all his/her accumulated sick leave, vacation, and personal days

and/or been otherwise solely responsible for the first ten working days of absences before applying to the SLB, unless the employee has accumulated enough sick leave that he/she is eligible to use Guideline 5.5, and,

5.3 Have an illness, injury, or medical complication that will require more than ten consecutive working days leave substantiated by a letter from a physician.

5.4 A SLB member may also apply for SLB days if a member of employee's immediate family (as defined under 5.4.1) has an illness, injury, or medical complication that requires the attendance of the employee more than ten consecutive days.

5.4.1 Family is to be defined as spouse, children, and parents. (Sick leave days utilized for parent(s) of employee are limited to 10 days during a given year.)

5.4.2 Letter from attending physician must also substantiate medical condition of family member.

5.5 In the event that an employee has accumulated 50 or more personal sick leave days, he or she may become eligible for SLB benefits after using 20 consecutive working days of his or her own sick leave in the course of an academic year.

6. Contribution:

6.1 All new applicants to the SLB will make an initial donation of two (2) days.

6.2 If the SLB falls below 100 days, each member will be assessed one additional day. Those members who have no accumulated sick leave or personal leave will contribute at the beginning of the next year.

6.3 Any employee leaving School District #381 may donate all unused sick or personal leave days to the SLB.

6.4 Any SLB member with drawing from the SLB automatically surrenders all donated days to the SLB.

7. Maximum Days Granted:

7.1 The maximum number of days that may be granted in any fiscal year (ending June 30) will be the remaining number of days an employee is contracted or scheduled to work and shall not exceed 100 days. In no case will the granting of leave cause an employee to receive a greater amount of pay from the school district than his/her annual salary for that year.

7.2 The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident.

8. Excess Days:

SLB grants to individual employees will not be carried over from one fiscal year to another. All grants will end at the termination of the school year. If an employee does not use all the days granted by the SLB, the unused sick leave days will automatically revert back to the SLB.

9. The Sick Leave Bank Committee:

The SLB Committee shall consist of five (5) to (8) members appointed by the Association and approved by the Board of Trustees. One of the committee members must be an active member of the Idaho Education Association. The Committee shall develop and distribute the rules and procedures for the orderly administration of the SLB. The Committee shall also be responsible for reporting the names of the contributor and the number of days contributed to the District Business Office. The SLB Committee shall be responsible for reporting all days granted to any SLB member by the SLB and any other information necessary to maintain an adequate accounting of the operation.

10. SLB Rules of Operation:

10.1 A simple majority of the committee members must be present to transact business or consider grants, however

2.4 Transfer of Unused Sick Leave Days

Any bargaining unit employee shall have the option to transfer his or her unused sick leave days to any other bargaining unit employee under the following conditions:

1. The employee receiving the sick leave days must have used all of their own sick leave, personal leave days and vacation days.
2. The days transferred cannot be used for retirement purposes.
3. Any donated sick leave days not used by the employee will go into the sick leave bank.
4. Employee donating days must pay taxes on the donated amount unless the donation is due to a medical emergency.
5. The donated days are not tax deductible for the donor.

2.5 Personal Leave:

Upon application to the principal, each full-time, regularly- employed employee of District #381, American Falls, Idaho, shall be authorized **four (4)** days of personal leave. One additional day of leave is available each year and shall be referred to as a “buy-a-day”. After 10 years of full-time service, employees will be eligible for two (2) “buy-a-days”. If the “buy-a-day” is taken, the employee will pay a **\$75.00** substitute fee. If the “buy-a-day” is not taken, it will not be eligible for reimbursement, carry over into personal leave, or transfer to sick leave.

The employee may convert unused personal leave to sick leave, but any days so converted shall not be eligible for reimbursement by the district. Converted sick days cannot be used to pay for insurance upon retirement.

Those employees who have been in the district three (3) years through nine (9) years, shall be able to accumulate one (1) day of unused personal leave for the following year for a total of five (5) days.

Those employees who have been in the district ten (10) years or more shall be able to accumulate two (2) days of unused personal leave for the following year for a total of **six (6)** days.

1. For each personal leave day not used, each full-time, certificated employee shall be reimbursed the sum of \$60.00 per day in their regular June paycheck except for those days designated to be accumulated for the following year.
2. There shall be no more than one-tenth of the total staff members absent with personal leave unless previous arrangements have been made with the principal. Determinations of the above will be on the first-come-first-served basis.
3. Request for leave, except in extreme cases, should be planned in advance and presented to the principal. Personnel are strongly discouraged from taking personal leave the first two weeks of school and the last two weeks of school.

2.6 Leaves of Absence:

A teacher may be eligible for a leave of absence after the completion of 5 years of satisfactory service, when in the opinion of the Board of Trustees the leave is to the mutual advantage of the teacher and the school system.

Requests for such leaves are to be presented in writing by the teacher requesting the leave. The request will be considered by the Board of Trustees at a regular school board meeting. The teacher will be notified in writing of the conditions under which the leave is granted.

Employees taking a leave of absence can receive a continuation of health care coverage at the employee's expense under the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) if they qualify.

Continuing contract teachers shall be granted a leave for child rearing purposes of up to one (1) year without pay for the birth or adoption of a child. The employee must have no less than three years of continuous service with the district before the leave will be granted. Upon return from leave, the teacher shall be guaranteed a position for which they qualify based upon availability. The leave of absence will provide for no loss in accumulated benefits (sick leave and seniority).

Refusal of an offered position constitutes no further obligation of the district to the employee on leave. This article does not supersede Article XIV 'Reduction in Force.'

2.7 Absences Not Covered By Other Leave Policies

Absences (extended personal leave) that are not covered by the sick leave policy or the personal leave policy will be handled individually at the discretion of the Superintendent (one day maximum) and/or the Board of Trustees. Except in extreme emergencies these leaves should be presented to the Superintendent in writing at least three (3) weeks in advance of the date(s) requested.

The extended leaves will be judged on the effect each has on the educational program with the following areas to be evaluated: individual's total absence for the year, use of regular personal leave, reason for request, availability of substitute, time of year, and individual's frequency of requests.

2.8 Military Leave

Employees who are members of the Armed Forces Reserve or the National Guard(s) shall be granted military leaves of absence if called in service. While on leave, the employee shall retain all seniority as though employment had been continuous in the district. Upon return from leave the employee shall be guaranteed a position for which they qualify based upon availability and subject to the Reduction in Force Policy.

2.9 Bereavement Leave

Upon application to the principal, each full-time, regularly employed employee of District #381 shall be authorized three (3) days of bereavement leave per incident. The leave may be used for the death of a child, parent, parent-in-law, spouse, brother, sister, brother-in-law, sister-in-law, grandparent, grandchild, step child, or step parent of the employee. The increase of \$3,673 per year shall be added to the individual teacher's base salary and paid as a part of their regular monthly salary. The \$3,673 longevity benefit will be increased proportionately with any increase in the district's base salary amount, (ie. If the district base salary is increased 3% the \$3,673 longevity benefit will also be increased by 3%).
