The Professional Employee will not be asked to contribute again unless the accumulated Sick Leave in the Bank drops below three hundred Days (300). The Sick Leave Bank Committee will then ask all members to contribute a specific number of days to bring the total above three hundred (300) days. These contributions must be made during the regular deposit periods as set forth in Section 2.7.1. Any member not contributing will become ineligible to receive Sick Leave Bank days until they have contributed the requested days.

2.7.11 A Sick Leave Bank member will need to use all accumulated leave before asking for days from the Bank.
