Article II -- Grievance Procedure

It is the intent of this procedure that employee complaints will be identified and corrected at the earliest possible time, and at the lowest level of supervision.

Complaint processing should be viewed as a positive and constructive effort which seeks to establish the facts upon which the complaint is based and to come to a fair conclusion. Employees will not be discriminated against nor will reprisal be attempted against an employee because he/she filed a complaint.

Procedures

Complaints will be processed according to the step-by-step procedures outlined below:

1. Working Site Level 1

If the complaint is not promptly resolved, it will be reduced to writing and submitted to the immediate supervisor. A copy of the complaint will also be submitted to the superintendent by the complainant.
- b. Within five (5) work days of receiving the complaint, the immediate supervisor will render a decision, in writing, to the complainant and the person or persons originally involved in the complaint.
- c. (If applicable) After receiving the decision at Step b, the complainant may appeal the decision, in writing, to the appropriate director, principal, or administrative assistant.
- d. The supervisor will, within five (5) workdays of receipt of the appeal, investigate and render a decision, in writing, to the complainant, the immediate supervisor, and to the person or persons originally involved in the complaint.

- a. After receiving the decision at Level 2, the complainant may appeal the decision, in writing, to the superintendent or official designee, requesting a District Grievance Advisory Committee review. (The District Grievance Advisory Committee shall consist of four (4) district employees: 1) the superintendent, 2) one member selected by the aggrieved employee, 3) one member selected by the person the grievance is being filed against, 4) and the fourth member being selected by the original three committee members.) - E. Professional employees shall be allowed to use sick leave when such absence is due to illness of a member of the individual's immediate family. The immediate family is considered to be spouse, children, father, mother, brothers, sisters, grandchildren, grandparents, or the same relatives of one's spouse.
- F. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available may be granted, upon written request, a leave of absence without pay for the duration of such illness or disability up to one year, and the leave may be renewed each year by the Board upon written request of the teacher.

Article IV -- Sick Leave Bank

Each full-time certificated employee of the district may participate in the Sick Leave Bank. To participate, each employee shall contribute two (2) of his/her earned sick leave days. Sick leave days thus contributed shall be deducted from the individual's sick leave entitlement. The contributed sick leave days shall form a fund of sick leave days that will be available to all eligible participating certificated employees upon recommendation of the Sick Leave Bank Committee for the purpose of alleviating the hardship caused by the absence from work due to illness or disability which extends beyond the employee's accumulated sick leave.

Application for use of the Bank shall be submitted to the Sick Leave Bank Committee for its recommendation. The Committee shall review the request and determine the eligibility of the employee. If the Committee deems necessary, it may require proof of illness at the time of application and from time to time after a grant has been made.

If the Sick Leave Bank is exhausted during any one school year, it shall be re-established by a 30 day voluntary new contribution as established in Article IV.

The maximum number of days that may be granted to an eligible participant will be sixty (60) days per school year (August –June).

In no instance should the number of Sick Leave Bank days granted exceed the number of days absent from work due to illness or disability.

Bank grants to individual employees will not be carried over from one fiscal year to another. All such grants will terminate at the end of the school year. If a certificated employee does not use all of the days granted by the Bank, the unused sick leave days will be returned to the Bank.

The Sick Leave Bank shall be governed by a committee consisting of five (5) members appointed by the District Administration and approved by the Association. The Committee shall develop and distribute rules and procedures for the orderly administration of the Bank.
