Preamble

The Board and the Association recognize and declare that providing a quality education for the pupils of the District is their mutual aim and that the character of such education depends predominantly upon the quality and the morale of the District employees and that they will be involved in assisting the Board in formulating policies, schedules, budgets, curricula, credit requirements, calendars and programs designed to improve educational standards.

I. Procedural Agreement

A. PARTIES AND PURPOSES

1. This Master Agreement is made and entered into by and between the Board of Trustees of the Basin No. 72 School District of Idaho City and the Idaho City Education Association as the representative organization of the employees of said District, to establish procedures for bargaining and the specific items to be bargained between the parties pursuant to the provisions of Sections [33-1271](#) – [33-1276](#), Idaho Code.
2. For the purposes of the Procedural Agreement “Day” shall be defined as one calendar day and shall include weekends, holidays, etc.

B. REPRESENTATION

1. **Obtaining Objectives:** Negotiations depend on mutual understanding and cooperation. It therefore requires a free and open exchange of views with all parties participating in deliberations leading to policy decisions. Both parties agree to meet at reasonable times and places and to negotiate in good faith to reach agreement on matters.
2. **Personnel:** It is agreed that all certified employees of the district or those with employment agreements are represented by the Association, except Superintendents, Assistant Superintendents, Principals, Assistant Principals, and other district wide administrative personnel who teach less than 35% of the day and who recommend employment of other employees.

C. RECOGNITION, APPLICATION AND CERTIFICATION

1. **Recognition:** The Board recognizes the Association as the exclusive representative for the purpose of negotiations with the employees of the District so long as the Association has the approval of the majority of the employees of the District to represent them. The Association must inform the administration of its intent to negotiate no later than April 30. Should there be no entity that qualifies as a local education organization by May 10, the board

has no obligation or authority to negotiate as required under this act, and may establish compensation for professional employees for the ensuing school year as it deems appropriate.

2. **Application:** Provisions of this Agreement shall apply to all certified employees of the District as defined.

3. **Certification:** Should the Board request, the Association will conduct an election by its members, by secret ballot to determine whether or not the Association has majority approval to represent the employees. A Board representative shall be allowed to observe the balloting. The Board and Association shall each appoint one representative to count the ballots and report the election results.

D. NEGOTIATING TEAM

1. **Team Members:** The Negotiation Team shall consist of two (2) parties. The Board Party consisting of one (1) Superintendent and one (1) administration representative; and the Association Party consisting of the Association President, one (1) member elected from the high school faculty, one (1) member elected from the elementary school faculty, and one (1) alternate elected from the certified employees. 2. **Negotiation Dates, Location, and Frequency:** The Negotiation Team shall meet on mutually agreeable dates, time, location, and frequencies. Each

negotiation session shall be no more than two (2) hours in duration and exceed this limit only after the mutual consent of the team members.

3. **Caucus:** A caucus may be called by anyone for any reason. The party which called caucus decides location and states time limit.
4. **Adjournment:** Either party may adjourn any negotiation session.
5. **Minutes:** The scribe should be responsible to keep the minutes of each negotiation session. These minutes should record the interests, options and tentative agreements made during the negotiations. The minutes should also record the committees and people responsible for various assignments, along with the scheduled times for future meetings. The District will cause the minutes to be typed and they shall be submitted to the Negotiation Teams for approval and signature by each party's spokesperson. Each party shall be furnished one copy of the approved and executed minutes.
6. **Meeting Chair:** Meetings shall be chaired by the superintendent or his/her designee.

F. MEDIATION

1. In the event the parties in negotiations are not able to come to an agreement upon compensation for professional employees by May 10, if agreed to by both parties, a mediator may be appointed. The issue or issues in dispute shall be submitted to mediation in an effort to induce the representatives of the board of trustees and the local education organization to resolve the conflict. The procedure for appointment of and compensation for the mediator shall be determined by both parties. Mediation is nonbinding, and the recommendation or recommendations of the mediator, if any, shall not be construed as having any force or effect.

K. LEAVES

In the event of an emergency school closure, personnel who have arranged for sick, personal, or bereavement leave will not be charged for that leave.

1. Leaves With Pay:

a) Sick Leaves:

(1) At the beginning of each school year, each employee shall be credited with sick leave allowance. Employees who work 9 months of the year receive 9 days. Employees who work 10 months receive 10 days. Employees who work 11 months receive 11 days. Employees who work 12 months receive 12 days.

(2) Employees employed on a part time basis or for part of a school year shall receive a prorated portion of the annual sick leave.

(3) The unused portion of such allowance shall accumulate from year to year to a maximum of two hundred (200) days, one hundred forty (140) of which can be used in any one year for sick leave. Upon retirement the balance of any unused sick leave will be reported to PERSI.

(4) Sick leave is to be used for absences caused by personal illness, accident, or disabilities caused by pregnancy, miscarriage, abortion, childbirth and recovery thereof which render the employee incapable of carrying on his/her duties.

(5) Employees shall be allowed to use sick leave when such absence is due to illness of a member of the individual's family residing in the employee's household. "Immediate family" for purposes of sick leave shall mean the employee's spouse and children residing in the employee's household.

(6) Employees who resign from the School District and are re-employed shall retain the number of days accumulated sick leave held at the time of resignation from the District provided that the sick days have not been used in another school district and said employee returns within a twelve (12) month period of resigning.

(7) Sick leave may be used for absences necessary for medical or dental appointments, including routine examinations. Sick leave days may be taken as full or half days at the discretion of the employee.

(8) Any employee claiming benefits of more than three (3) consecutive days from accumulated sick leave shall submit a medical report to the building administrative representative from the attending health care professional the third day after the first day of illness and every ten (10) days thereafter while the illness persists. Any employee returning after sick leave of more than three (3) days must submit a written medical report. In the event such a medical report is not submitted as required, no compensation shall be due or paid for those days in excess of the three (3) consecutive days in which the employee was absent.

b) Sick Leave Bank:

(1) The sick leave bank is created for the purpose and intent of alleviating economic hardship incurred by bank members due to involuntarily contracting an illness of a protracted or recurring nature and/or involuntarily receiving a traumatic injury caused by illness or accident requiring absences from work beyond the employee's accumulated sick days.

(2) Each employee of the District covered by this contract may participate in the sick leave bank. The intent to participate in the sick leave bank shall be submitted to the clerk by September 15th of each year or by the close of the second (2nd) week after being hired, if hired mid-year. To participate, each employee shall contribute two (2) days of his/her earned sick leave days. Members may continue to contribute days to the bank throughout the school year. Sick leave days thus contributed shall be deducted from the individual's annual sick leave entitlement.

(3) The contributed sick leave days shall be sorted into two sick leave banks: one for certified employees; one for classified employees. If, at the beginning of a school year, either sick leave bank contains less than 50 days, members shall contribute at least one (1) day to remain an eligible sick leave bank participant.

(4) In order for an employee to be eligible to apply for sick leave benefits from the sick leave bank, the employee must first (1) be a contributor to the bank and second (2) have been absent from work due to illness or accident for all of his/her accumulated sick leave days and personal days.

(5) The bank shall not be used for days absent from work beyond accumulated sick leave when a voluntary action or decision on the part of the employee was the cause of the absence. If disability is covered by Worker's Compensation, the employee shall not be eligible to utilize the sick leave bank.

(6) Application for use of the bank shall be submitted to the sick leave bank committee for their recommendation. In order to apply for days from the sick leave bank, the employee shall obtain a form from the district clerk. The committee shall review the request and determine the eligibility of the employee and the merit of the request. If the committee deems necessary, it shall require proof of illness at the time of application and from time to time after a grant of sick days has been made.

(7) The sick leave bank policies shall generally be consistent with the sick leave policies with the exception that sick leave bank days granted shall be granted in full day increments only.

(8) The committee shall make decisions by a majority vote. After complete review of the application, the committee shall have authority to make final decisions within these guidelines as to the disposition of the case.

(9) Sick leave bank grants to individual employees will not be carried over from one fiscal year to another and all such grants will end at the termination of the fiscal year. If an employee does not use all of the days granted by the bank, the unused sick leave days will be returned to the bank.

(10) The sick leave bank committee shall consist of the high school building representative, the elementary building representative, the ICEA president and the superintendent for the District. When a request for sick leave bank days is made by a sick leave bank member, the two certified members, the ICEA president and the superintendent shall meet to hear and decide the case.

b) Sick Leave Bank Restrictions

(2) The maximum number of days that can be granted to a member in any one fiscal year will be limited to no more than one half of the accumulated number of days in the sick leave bank. In no case will the granting of leave cause an employee to receive more than his annual salary for that year. The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident.

(3) During the employee's first year as a member of the sick leave bank, the committee **may** grant up to a maximum of ten (10) sick leave days from the bank. Pre-existing conditions may not be covered.

(4) During an employee's second year as a member of the sick leave bank, the committee may grant up to a maximum of twenty (20) sick leave days from the bank.

(5) During an employee's third year as a member of the sick leave bank, the committee may grant up to a maximum of forty (40) sick leave days from the bank.

(6) During an employee's fourth year and beyond as a member of the sick leave bank, the committee may grant up to a maximum of sixty (60) sick leave days per fiscal year from the bank.

(7) The employee shall be entitled to no sick leave bank days for the fiscal year immediately following the fiscal year during which the employee was granted the sixty (60) days.

(8) Sick leave bank days shall not be used for regular maternity leave. The employee may apply to the sick leave bank committee if there are extenuating medical circumstances as documented by the employee's physician.

c) Personal Leave

(2) Personal leave shall be granted for any reason deemed necessary by the employee at the rate of three (3) days per year. Advance notice of seven (7) days will be given when possible using the District provided form. Personal days may be taken as full or half days at the discretion of the employee. Personal days cannot be used to extend Thanksgiving break, Christmas break or spring break.

(3) **Requests for use of more than three (3) consecutive personal days must be submitted to the building administrator thirty (30) days prior to the requested leave.** Permission for the use of more than three (3) consecutive personal days is at the discretion of the building administrator. Factors to be considered include: time of year, academic calendar, student needs and budget constraints.

(4) Up to ten (10) days of personal leave can be accumulated provided the employee has worked a minimum of three consecutive years for the district. This provision took effect with the roll over from the 2013-2014 school year to the 2014-2015 (historical reference) school year. All other excess personal days will be rolled into sick days.

(5) Employees who use fewer than five (5) sick days during one school year will receive one (1) additional personal day for the following year.

An employee who is pregnant may continue in active employment as late into her pregnancy as she desires provided she is able to properly perform her required functions. An employee may use his/her available sick leave, before or after delivery of his/her child for absences caused by illness or physical disability. Said employee shall notify the School Board in writing of his/her desire to take such leave, and except in the case of emergency shall give notice at least thirty (30) days prior to the date on which his/her leave is to begin. Use of sick leave is contingent upon the employee returning to duty after recovery from illness or disability. In the case of an extended maternity leave by a continuing employee who submitted a letter of intent by time required (May 1) lasting past the fiscal year, said employee shall be assigned to the same position he/she held prior to the leave.

e) Civic Duty Leave Civic Duty leave shall apply to court-required appearances for that portion of the day that attendance is required. Leave with pay will be granted for a jury summons or a witness subpoena. Any remuneration received from carrying out civic duty will be returned to the District.

Sabbatical leave may not exceed a period of one year.

(2) The Board may authorize sabbatical leaves of absence when it deems such leaves or absence to be reasonable and for good cause and not detrimental to education within the system. Sabbatical leaves may be granted only for the purpose of allowing an employee to continue education and advancement.

(3) Applications for sabbatical leaves for the first semester only or for a full year beginning with the first semester, must be submitted to the School Board prior to February first of the previous school year. Applicants for sabbatical leave for the second semester only or for a full year beginning with the second semester shall submit their application to the School Board by October first of that school year.

(4) The School Board shall, within thirty (30) days following the deadline for the receipt of such applications, screen all such applications and make a decision. If the decision is for approval it shall include the length of leave (not in excess of two (2)

(5) Employees shall include with their application for sabbatical leave a recommendation from the appropriate principal and a plan of study which includes the details either for study in an approved college or university, or a problem or project for research or writing to be pursued independently by the applicant. This plan shall be approved by the school board and the superintendent before the sabbatical leave can be granted. (11) Following completion of sabbatical leave, the employee agrees to remain with the District no less than two (2) years following completion of the sabbatical leave. If the employee leaves prior to this period, the employee agrees to repay to the District the amount paid to him/her during the sabbatical leave within ninety (90) days. Upon return from such leave, the employee will be guaranteed an equivalent position to the position held prior to the commencement of the leave. If the employee desires to maintain health benefit programs during the unpaid leave the employee must pay the premium.

The following two categories comprise Leave Without Pay:

a) Leave of Absence

Continuing employees may be granted leaves of absence without pay for up to one year. Under extenuating circumstances an employee may apply for an additional year of extended leave. Employees should apply for leave before April 15 of the year preceding leave. In the case of medical emergency or family illness, the deadline may be waived. A limit of two (2) employees may apply for extended leave per calendar year.
