7-5-5 The maximum number of days that can be granted in any one (1) fiscal year will be the remaining number of days an employee is scheduled to work under his or her current contract. In no case will the granting of leave cause an employee to receive more than his or her annual salary for that year.

- 7-5-6 The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident. Whenever an employee has been sick for a continuous illness lasting ten (10) working days beyond his or her accumulated sick leave, the committee may allow retroactive coverage for the four (4) days on which the employee suffered full salary loss.
- 7-5-7 Bank grants to individual employees will not be carried over from one (1) fiscal year to another; all such grants will end at the termination of the school year.
