II. PERSONAL LEAVE

Certified personnel desiring personal leave are to request this leave in writing to the building principal. Certified personnel may be granted personal leave if a substitute is available. Personal leave for all other certified personnel will be at the discretion of the building's principal.

Authorization for the leave will be given to certified personnel by the building principal. Up to five (5) days of personal leave may be taken during the year. The district will deduct \$60 per day, or the rate of a substitute certified personnel, whichever is greater, from the certified personnel's pay for the 4th and 5th day of leave, if used. Personal leave is not cumulative and is defined as leave to attend to matters of a personal nature.

These days of personal leave may not be used the first two weeks of school or the last two weeks of school without a previous arrangement with the building principal.

At the end of the school year, certified personnel will be reimbursed for unused personal days of the three (3) paid for by the school district. Each reimbursable personal day will be valued at the rate of a substitute certified personnel. The reimbursement for unused personal days will be included in the certified personnel's next paycheck.

III. PROFESSIONAL LEAVE/DEVELOPMENT

Each certified personnel has three days per year for professional leave of absence for workshops, conferences, seminars and/or classes. These days will be granted if the following criteria are met:

1. A suitable substitute can be found.
2. A written request is submitted five (5) working days in advance of the requested date(s).
3. Lesson plans and substitute folders are completed and submitted to the principal one (1) working day in advance of the requested date(s).

Additional professional leave of absence without loss of pay may be granted if the following criteria are met:

1. A suitable substitute can be found.
2. A written request and explanation is submitted five (5) working days in advance of the requested date(s).
3. Lesson plans and substitute folders are complete and submitted to the principal one (1) working day in advance of the requested date(s).
4. Superintendent approval.

The Superintendent shall grant certified personnel's professional leave of absence days to attend meetings of the state certified personnel's association. The total number of these days granted for all certified personnel shall not exceed ten (10) days.

Reimbursement for professional development shall occur at a rate of up to \$150 per credit, with a cap of six (6) credits over a five (5) year recertification cycle.

The district will have a professional development committee to meet the district's professional development needs. The formation of this committee will have representation from every building, will include at least one member from the Association, and will work in accordance with the Fruitland School District's Professional Development policy.

IV. SICK LEAVE

After certified personnel have reported for duty, he/she will be allowed sick leave in accordance with current Idaho School Law, one (1) day for each month of service.

Accumulated sick leave from another Idaho School District may be transferred to this district, as provided by Idaho Code.

Certified personnel serving less than full time under contract, shall be entitled to that proportional amount of sick leave.

It is the intent of the Board that certified personnel will use sick leave only for illnesses or injury to the certified personnel; medical provider appointments; illness of the certified personnel's immediate family. (spouse, children, siblings, parents, grandparents, grandchildren and the same members of the spouse's family)

The district shall have the right, at the superintendent's discretion, to require that the certified personnel provide proof of illness or injury adequate to protect the district against malingering and false claims.

V. SICK LEAVE BANK

Each certified personnel of this district may participate in the sick leave bank. To participate, each certified personnel shall contribute a prescribed number of his/her earned sick leave days as determined by the sick leave bank committee. Deposits to the sick leave bank may be made from September 1 to October 15th. Deposits may be called for during the year if the bank falls below 20 days. Sick leave days thus contributed shall be deducted from the individual's sick leave entitlement.

The contributed sick leave days shall form a fund of sick leave days that will be available to all eligible participating certified personnel upon recommendations of the sick leave bank committee for the purpose of alleviating the hardship caused by absence from work necessitated by extended or recurring physical disability resulting from illness or injury extending beyond the certified personnel's accumulated sick leave.

Application for use of the sick leave days from the bank shall be submitted to the sick leave bank committee for its recommendation. The committee shall meet within 72 hours of the request and determine the eligibility of the certified personnel. If the committee deems necessary, it shall require proof of illness at the time of application and, from time to time after a grant has been made.

In order for a certified personnel to be eligible to apply for sick leave benefits from the Sick Leave Bank, the employee must first: 1) be a contributor to the bank, 2) have used all of their paid personal days, and 3) have used all of his/her sick leave or if the employee has more than 50 days of accumulated leave and has used 20 of those; the committee may grant four (4) days for every (2) of their own that is used.

For the initial year of operation, each participating certified personnel shall contribute one (1) day of his/her accumulated sick leave days to the sick leave bank. Each subsequent year of the Bank's operation, the sick leave bank committee shall determine the number of sick leave days each participant must contribute in order to keep the bank solvent. The number of accumulated sick leave days an employee may contribute to the bank shall be limited to 100% of that certified personnel's sick leave days.

The maximum number of days that can be granted in any one fiscal year will be the remaining number of days certified personnel are scheduled to work under his/her current contract. In no case will the granting of leave cause a certified personnel to receive more than his/her annual salary for that year.

Bank grants to individual certified personnel will not be carried over from one fiscal year to another; all such grants will end at the termination of the school year. If certified personnel do not use all of the days granted by the bank, the unused sick leave days will be returned to the bank.

The Sick Leave Bank Committee shall consist of two (2) members appointed by the Association, and two (2) members appointed by the Board, excluding the superintendent. In case of a tie vote on a request, the superintendent will cast the decided vote.

The committee members shall develop and distribute rules and procedures for the orderly administration of the bank not inconsistent with the terms of this agreement. The committee shall be responsible for reporting to the district's accounting office the names of contributors and the number of days contributed. It shall report all days granted by the bank and all other information necessary for the employee's records.

XI. REDUCTION IN FORCE

The following definition and procedures shall be used for conducting a Reduction in Force.

Definition

As used in this policy, "certified personnel" shall apply to any employee of the District who is covered by the Negotiated Agreement. A Reduction in Force will not be based solely on seniority or contract status pursuant to Idaho Code. A Reduction in Force will be applied to the Fruitland District as a whole.

Procedures

1. Prior to commencing action to terminate certified personnel contracts under these procedures, the Board will give due consideration to its ability to effectuate position elimination and/or reduction in staff by:

- a. Voluntary retirements
- b. Voluntary resignations
- c. Transfer of existing staff members
- d. Voluntary leaves of absence

The Board shall provide the Association with written documentation stating the actions that were taken to ensure due consideration was given to each of four (4) areas identified above.

2. In the event a Reduction in Force is required, certified personnel who are retained pursuant to these procedures may be reassigned if suitable position openings are available in instructional areas for which they are qualified and for which the appropriate administrator has approved the transfer pursuant to Idaho Code.

3. In the Board's determination as to the individuals to be released pursuant to the Reduction in Force, the criteria set out below will be used. Each criterion shall be considered in terms of the total context when selecting those employees who are to be considered for release pursuant to the provisions of these procedures. It is the intent that the individual and cumulative effect of each criterion on the welfare of students and the best long-term and short-term interest of the District be considered.

The following rubric shall be used to determine a staff Reduction in Force.

Years in a Certified Position	- 1 Year = 1 Pt. - 2 Years = 2 Pts. - 3 Years = 3 Pts. - 4-7 Years = 4 Pts. - 8-11 Years = 5 Pts. - 12-15 Years = 6 Pts. - 16-19 Years = 7 Pts. - 20 or More Years = 8 Pts.
Renewable Category 3 Contract Status	= 2 Pts.
Attainment of Master's Degree (Or 30+ credits)	= 2 Pts.
Overall Proficient on most recent Evaluation	= 2 Pts.
Multiple Endorsements or K-6 or K-8 Endorsement	= 2 Pts.
Teaching in a federal required subject matter (or deemed hard-to-fill position by the School Board)	= 2 Pts.

The lowest generated scores shall determine the staff subject to the Reduction in Force. A tie can be broken by:

- a. Years of service in the district
 - i. Time as a certified teacher, extracurricular advisors, coaches, and/or mentors
 - ii. Time as a classified employee prior to a certified position
 - iii. Time as a paid student teacher position
 - iv. Substituting-number of days divided by number of total school days or student contact days
- b. Overall proficient on two most recent evaluations
- c. No letters of reprimand in personnel file

All certified personnel subject to Reduction in Force shall have the opportunity to review the scored rubric with the certified personnel's representative, if desired, and the building principal or superintendent or her/his designee.

Recall Provisions

If the contract of employment of certified personnel is terminated because of the implementation of a Reduction in Force, the name of the certified personnel shall be placed upon a reappointment list and remain on such list for a period of two (2) year(s).

In determining whether certified personnel are qualified for reappointment, the Board shall consider the criteria as set forth in these procedures. The certified personnel shall accept or reject the appointment in writing within two (2) business days after receipt of such notification. If the appointment is accepted, the certified personnel shall receive a written contract within twenty (20) business days of receipt of the certified personnel's reply by the Board.
