grievance, the grievant shall file the grievance in writing with the superintendent and may file it with the president of the Association, if the grievant so desires.

2. Within ten (10) days after receipt of the written grievance by the superintendent, the superintendent shall meet with the parties in an effort to resolve the grievance. The grievant may request to be represented by an Association representative.

Within ten (10) days of the date the grievance is fully submitted to the panel, the panel shall issue a written decision setting out the issues determined, the facts relied upon and the rationale for its decision.

The Board shall approve or reject the panel's decision within thirty (30) days of the date of the panel's decision. In the event that the panel's decision is rejected by the Board, the Board shall issue a written decision setting out the Board's resolution of the grievance.
