Procedural Agreement

Preamble

This Procedural Agreement is entered into by and between the Board of Trustees of Oneida School District #351 and the Oneida Education Association (Local Education Organization).

The Board and the Local Education Organization recognize and agree that the major and paramount purpose and objective of the Board, Administration, Teachers, and Non-Certificated employees is to provide the very best and highest quality of education to the students (collectively and individually) of this school district, which the resources we have available will provide. The welfare of the students must have highest priority and must receive preferential consideration and treatment.

The Board is elected by the qualified electors of the school district and, as such, possesses all powers delegated to a Board of Trustees or to a school district by the Constitution and laws of the State of Idaho, together with the duties imposed thereby. These powers, duties and responsibilities cannot be negotiated to another person or organization.

The Superintendent is the chief executive officer of the school district, and, as such, administers the affairs and programs of the school district as provided by law and board policy.

Providing education of the highest possible quality for the students of the school district is the responsibility of the Board. It is recognized that the teachers have a significant role as a result of direct contact with students; therefore, the high morale of the teaching staff depends on the willing services of well qualified teachers.

It is recognized that the best interests of public education will be served by a spirit of cooperation.

The choices appearing on the ballot at such an election shall be the two choices, including "No Representation," receiving the largest number of votes in the first election. III.A.2 The unused portion of such allowance shall accumulate without limit.

III.A.3 Sick leave may be used for absence caused by personal or family illness or emotional upset caused by accident or circumstances which render the employee incapable of carrying on his/her assigned duties.

III.A.4 Childbearing or adoption shall be considered as an illness of the employee.

III.A.5 Employees who use sick leave shall be charged by the half day or whole day rate.

III.B Sick Leave Bank

III.B.1.A BANKS Both brick-and-mortar schools, which includes MES, MMS, and MHS, and IHLA schools will have their own separate sick leave banks.

III.B.1.B PURPOSE Each certificated employee of the District may participate in the Sick Leave Bank. To participate, each employee shall contribute one (1) sick leave day. The contributed sick leave days shall form a fund of sick leave days that will be available to all eligible participating certificated employees upon recommendation of the Sick Leave Bank Committee for the purpose of alleviating the hardship caused by the absence from work necessitated by extended or recurring illness.

III.B.2 APPLICATION Application for use of the Bank shall be submitted to the Sick Leave Bank Committee for their recommendation. The Committee shall review the request and determine the eligibility of the employee. If the Committee deems necessary, it shall require proof of illness at the time of application and from time to time after a grant has been made.

III.B.3 GUIDELINES The Committee shall have the authority to establish such guidelines as it deems necessary to implement this program. Guidelines shall have the approval of the Education Association Executive Board and the Board of Trustees. After complete review of the application, the Committee shall have the authority to make final decisions within the guidelines as to disposition of the case.

III.B.4 ELIGIBILITY In order for an employee to be eligible to apply for sick leave benefits from the Sick Leave Bank, the employee must first: (1) be a contributor to the bank; (2) have been absent from work due to illness or accident; and (3) days where his/her salary was reduced by the cost of a substitute, (4) must exhaust all of their current sick leave.

If during the first year of operation, the number of days contributed shall be insufficient to meet the needs of the Bank, each member of the Bank will be assessed days by the Committee to meet the needs of the Bank. Each subsequent year of the Bank's operation, the Sick Leave Bank Committee shall determine the number of sick leave days each participant must contribute in order to keep the bank solvent. Not to exceed 2 days

per year. Any member leaving the district who cannot take his/her sick leave with him/her shall be allowed to donate unused days to the sick leave bank. To initiate this process the member shall write a letter stating his/her desire to donate his/her unused sick leave days to the district sick leave bank.

III.B.6 MAXIMUM DAYS GRANTED The maximum number of days that may be granted in any fiscal year will be the remaining number of days an employee is scheduled to work under his/her current contract. In no case will the granting of leave cause an employee to receive a greater amount of pay from the District than his/her annual salary for that year.

The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident.

III.B.7 EXCESS DAYS Bank grants to individual employees will not be carried over from one fiscal year to another. All such grants will end at the termination of the school year. If a certificated employee does not use all the days granted by the Bank, the unused sick leave days will be returned to the Bank.

III.D.4 Any employee using personal leave shall be charged by the hour(s) missed rather than the one half or one whole day rate.

III.E.2 Unpaid parental leave shall be granted for up to two full years. An employee on parental leave shall retain the same position on the salary schedule and the unused sick leave accumulated.

The employee shall retain all benefits, salary, and seniority as though employment had been continuous in the district. Upon his/her return to the district, the employee shall be placed in the same position last held in the district.

III.G.2 The employee taking military leave will be granted a 90-day leave of absence on the group insurance. After the 90 days, he/she must either go on Cobra insurance or drop from the district's plan. When he/she returns to work, he/she will be added to the insurance as if they were never dropped.
