

CAPITOL

Welcome to the first issue of Capitol Notes, ISBA's weekly newsletter updating school leaders on the Idaho Legislature. It was a quiet week at the Idaho Legislature, as folks get settled into their new roles and over 40 freshmen get familiar with the process. House Education met one time as an organizational session, and Senate Education's first meeting will be on Monday, January 16th. We anticipate the Administrative Rules review – a common practice the first few weeks of the session – and bill introductions will pick up next week.

You may have new legislators! Learn who they are and how to contact them by visiting the [Idaho Legislature website](#).
