For ease in editing and incorporating these updated policies into your policy manual, the attached sample policies have strikethrough and highlighting where changes have been made. If you have any questions or comments, please feel free to contact me.

Description of Update:

These model policy changes are to reflect the very minimal changes from Senate Bill 1280, which moved trustee elections from May to November, thus changing other related dates. These minimal changes will keep your manual up to date.

The ISBA Policy Services Department will release a larger update in coming weeks.
