School Board Professional Development
"We Are All In It Together"

The Legislature appropriates $6,600 per school district and charter school each year to be used for board, superintendent, and charter school administrator professional development. ISBA has created new professional development plans to help you receive the best value for the appropriated $6,600. If you don't see a plan that best suits your needs, contact us for custom professional development options for your district or charter school. Contact Krissy for more information.
